Luxury. Serenity. Authenticity.

Our Philosophy

Because the most extraordinary journeys never truly end , they simply become cherished memories.

At Cleo, we believe that true luxury is not measured by extravagance, but by authenticity, privacy, personalized service, and unforgettable moments. Every journey we create is designed to leave our guests with memories that last far beyond their time on the Nile.

A Journey Reserved for a Privileged Few

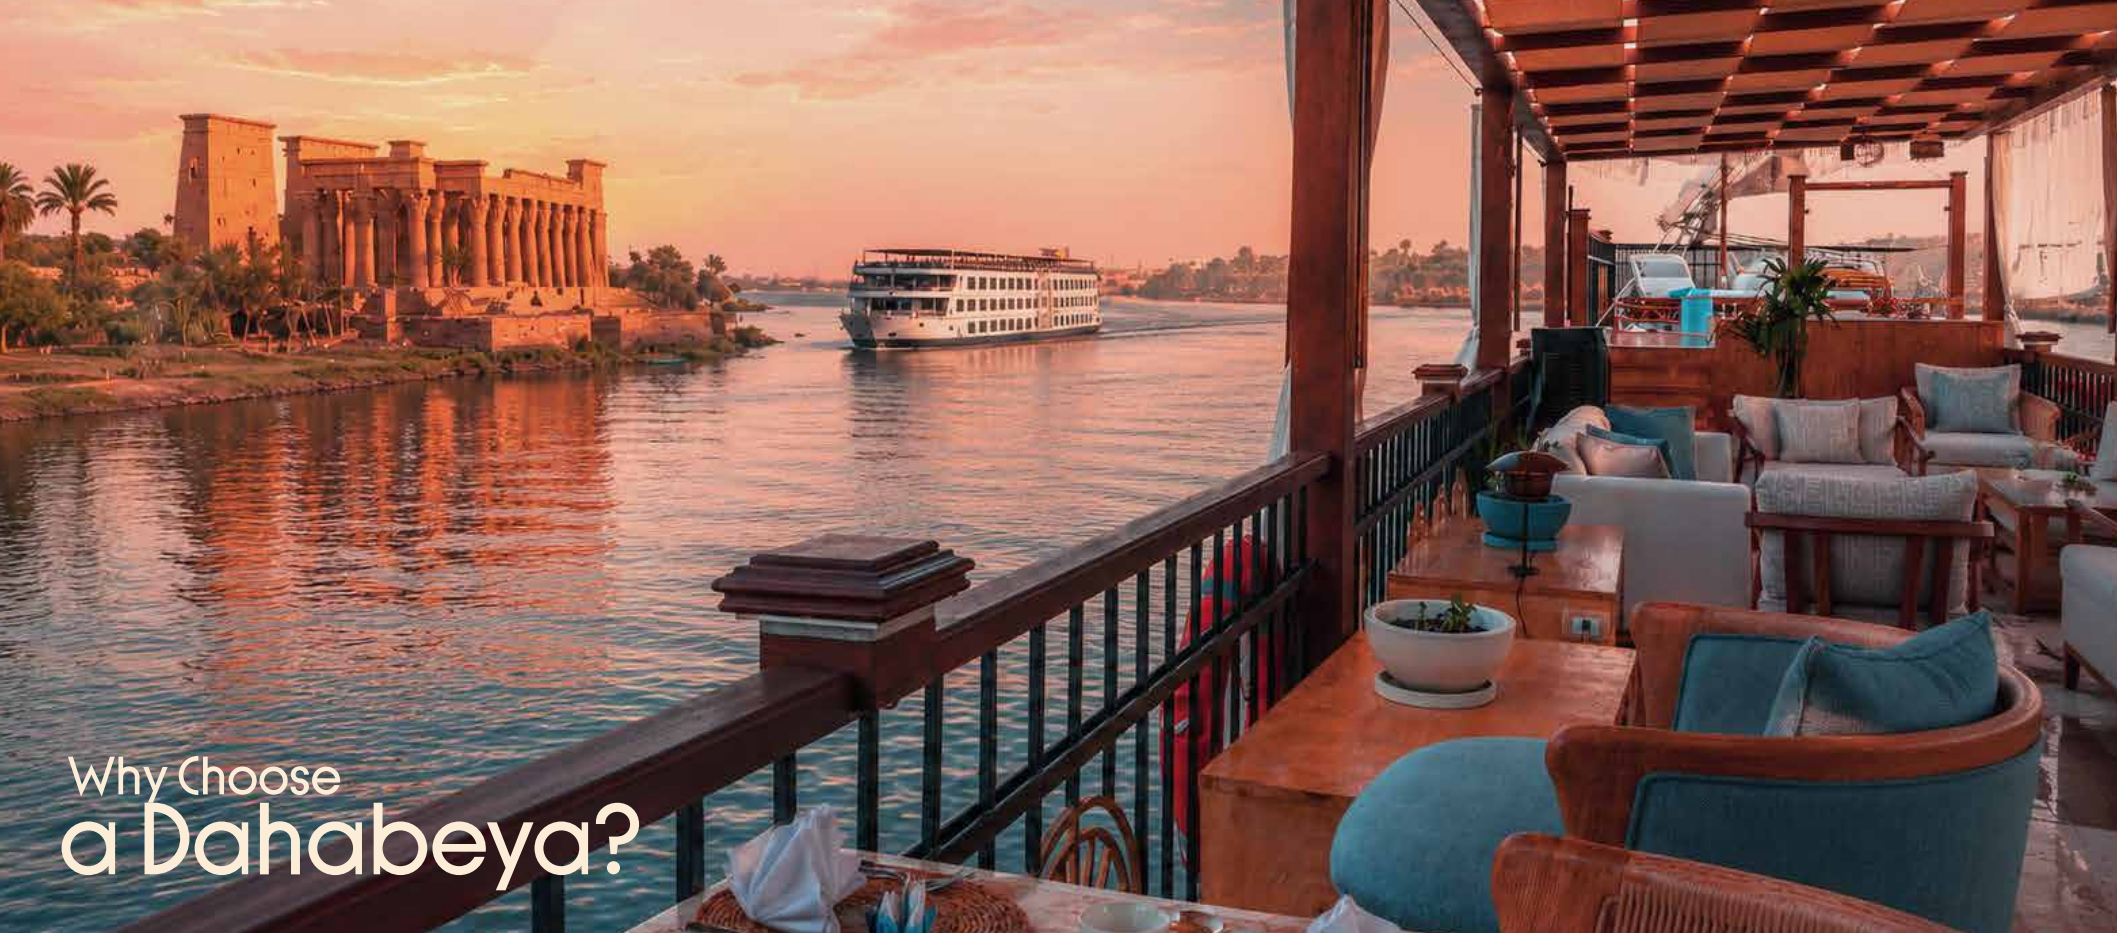

Not every journey is for everyone.

Created for only 20 guests, Cleo offers an intimate Nile experience where privacy, comfort, and exceptional service come naturally. No crowds. only tailored schedules. Just timeless moments, breathtaking scenery, and the freedom to enjoy the Nile at your own pace.

This minimalist approach is commonly used in luxury brochures, where imagery carries most of the story and copy is intentionally brief.

Hosting only 20 discerning guests for an intimate and unforgettable Nile experience.

Why Choose a Dahabeya?

Long before modern cruise ships sailed the Nile, elegant dahabeyas carried explorers, artists, and distinguished travelers through Egypt's most breathtaking landscapes. Today, they remain the most refined way to discover the river, combining timeless charm with contemporary comfort.

Unlike larger vessels, Cleo offers a boutique sailing experience where personalized hospitality replaces crowds, creating peaceful and authentic moments. A slower pace allows guests to fully enjoy the Nile's breathtaking landscapes, rich culture, and timeless history.

Choosing a dahabeya means choosing intimacy over scale, quality over quantity, and experiences that stay with you long after the journey ends.

Why Cleo?

Only a few transform the journey into something truly unforgettable.

As part of your Cleo journey, Luxor is experienced with comfort and care. Accompanied by knowledgeable Egyptologists, you'll wander through majestic temples, stand before towering columns, and discover the legendary Valley of the Kings at a pace that allows you to truly appreciate its grandeur. Edfu & Kom Ombo

Between Luxor and Aswan, the Nile reveals hidden treasures that have quietly stood the test of time. In Edfu, arrive at the magnificent Temple of Horus, one of the best preserved Temples in Egypt, embracing a timeless local tradition before stepping into one of the best-preserved temples in Egypt.

Further south, Kom Ombo rises gracefully along the riverbank, uniquely dedicated to two ancient gods. As the golden light of sunset reflects across its impressive columns, the temple becomes one of the most captivating stops along your journey.
